

SOLO AUDITION REQUEST 2019

You may have noticed on our competition agreement form that solos are by invite only this year. In our effort to give the dancers every opportunity possible to put their best foot forward in receiving an invitation, we have added an element to this process. Each dancer will be required to choreograph and perform a 1-minute solo in the style that they desire to compete in. Please note, the music they choose for this will NOT be the music they will dance to if they are chosen as a soloist. We don't want anyone to be intimidated by the choreography aspect of this – we just want to see you do what you love best in a solo setting to see if you're ready for this challenge. If insecure, use your fellow classmates and friends to help you through this process! Use this 1-minute piece to highlight what you are best at! Auditions will be held throughout the evening on Monday, Sept 9. Please fill out the form below and return to the studio (place in **Shelby studio** drop box if studio is closed) **NO LATER THAN AUG 31**. Alternatively, you can email this form back **NO LATER THAN AUG 31**. Your audition time slot will be emailed to you at some point the following week.
