

In Studio Break Form

Our waiting area is closed this season. We are encouraging our dancers to leave during all scheduled breaks.

Please fill out the form below if there is a need for your dancer to stay at the studio on any of their breaks. Bring this form with you the first week of class and turn it in to the front desk. If your dancer decides not to stay during one of his/her requested slots, that is fine. We would still prefer to have a form on file for any times where they **may** need to stay.
