## **Competitive Teams for 2022-2023**

**We offer three competitive dance levels: Premier, Intermediate, and Elite Company.**

(see the second page for a chart about our companies)

As the current season comes to an end, we would like to give you an overview of our competition program and structure.

We hope that your family will look forward to the next year with us!

Competition acceptance letters and schedules will be sent out in September.

To provide your dancer with the best dance experience, we feel that a smooth transition from dancing in our recreational classes to our competitive team is important. That journey may look different for each dancer, but these competitive levels will allow for more choices and flexibility.

We encourage your family to take a look at the chart provided. The chart provided is a basic breakdown for new families. It will give you the descriptions of each competitive level. All dancers will be required to sign our competition agreement form that provides ALL INFORMATION for your dancer's level of company at TMSOD.

You can use our website as a resource for more information about our Competitive Teams & Fall Registration.
